**TORO**<sup>®</sup>

A close-up, high-angle shot of the rear of a Toro lawnmower deck. The deck is black plastic with a prominent red square logo in the center that reads "TORO" in white, bold, sans-serif capital letters. Below the logo, a red metal bar runs horizontally across the width of the deck. Underneath this bar, a series of black metal blades are visible, arranged in a row. The blades are mounted on a complex mechanical assembly that includes various bolts, nuts, and adjustment points. The entire unit is resting on a light-colored, textured surface, likely asphalt or concrete. A sharp shadow of the mower is cast onto the ground to the left, indicating bright sunlight from the right. The image focuses on the mechanical details and branding of the equipment.
