The company plans to build on the program’s success, starting with a series of events at the GCSAA Conference and Trade Show in San Diego, California February 5-10.

FMC Professional Solutions Gives Back Over \$8,000 to Local Golf Course Superintendents Association of America Chapters

PHILADELPHIA, January 19, 2022 – The FMC Professional Solutions “Give Back to Local Chapters” in-season program ended the year in a giving spirit. FMC gave back over \$8,000 directly to 13 participating local Golf Course Superintendents Association of America (GCSAA) chapters as part of its commitment to the golf industry. Since the program’s inception, FMC has donated over \$80,000 directly back to local GCSAA chapters. An additional donation based on sales of FMC’s latest innovative product, Kalida™ fungicide, will be made in early 2022.

This year’s in-season rewards check recipients are from nearly 100 chapters across the nation. They include the Central Illinois GCSA, the Central Pennsylvania GCSA, the Chicagoland Association of GCS, the Georgia GCSA, the Hoosier GCSA, the Miami Valley GCSA, the Mid-Atlantic Association of GCS, the Minnesota GCSA, the New Hampshire GCSA, the North Florida GCSA, the Philadelphia Association of GCS, the Rhode Island GCSA, and the Tennessee GCSA.

“It has been very gratifying to watch FMC’s Give Back to Local Chapters Program grow in participation and interest every year,” stated Mike Sisti, marketing manager for FMC Professional Solutions. “We look forward to helping even more GCSAA chapters in 2022, because so many have told us how helpful these Give Back rewards checks have been to them to support their own efforts in areas such as turf research and student scholarship programs.”

FMC Professional Solutions will be kicking off the 2022 program with the annual kickoff donation drive and a GiveBack celebration reception. Both events will occur during the 2022 GCSAA Conference, February 5-10, 2022, in San Diego, California.
